Prices do not include shipping and handling if required. OK residents subject to 8.55% sales tax. All prices are based on cash payment.

Price Matching:

If you find any of our dry-good items priced less at the physical or internet location of a rival business, let us know and we will do our best to meet or beat their pricing. Items must be in-stock at said business. Price matching will take additional costs such as shipping and handling charges imposed by the competitor into account when calculating the final price.
