If you have any issues or complaints regarding the proper names for any of the fish on offer, take it up directly with Jeff Rapps.
2. Shipping: The above prices do not include shipping – inbound or outbound. As this offer is being made as a "group purchase" at discounted prices, all who participate by purchasing any fish will pay their fair share of the total shipping charges. The inbound shipping will include, but not be limited to, a \$25.00 Airport Drop-Off Charge, Box Charges, and Heat or Cool Pack Charges as needed, as imposed by Jeff Rapps (to be split evenly among all who participate). Individual amounts will be determined based on the number of fish purchased and total weight of their purchase as compared to the full shipping costs incurred by the group. Fish will be available for pick up at Mondo Aquatics after arrival. Fish can also be delivered to the next OKAA meeting immediately following arrival. Forward shipping is also available via FedEx and Southwest Airlines for additional expense.

3. Guarantees: As the prices listed above are discounted, the only guarantees offered are those Jeff Rapps extends on shipping.¹ Once the fish arrive alive at Mondo Aquatics, they are the responsibility of the individual purchaser. If your fish are being held for delivery to a club meeting, for pick up, or any other reason, they are done so as a courtesy only and at the peril of the purchaser. Any DOA credits offered by Jeff Rapps
4. Payment: All orders must be prepaid. Prices are based on cash payment and reflect a discount for cash. Credit cards and Paypal will be accepted but may be subject to slightly higher rates (4% on Paypal and 2.5% on credit cards – This fee is imposed by Jeff Rapps, not Mondo Aquatics!).
5. Availability: All fish and prices are subject to availability at the time the final order is placed. Payment for any fish not delivered with the final order will be promptly refunded. Shipping costs will be recalculated if there are undelivered fish and reapplied to all other orders. Unfortunately, fish delivered DOA cannot be refunded unless credit is issued by Jeff Rapps. There will be no refunds on shipping costs for DOA fish. All prices and rates are subject to change without notice at any time.
6. Prices and Availability: All prices listed are subject to change without notice. All prices and fish are subject to availability when the final order is placed by Mondo Aquatics to Jeff Rapps' Tangled Up with Cichlids.

¹“Given the high quality of fish shipped and special care taken to pack safely for transit, losses are very seldom experienced in shipping. Due to the inherent risk involved in shipping overnight during the cold winter months, I will do my best to ensure safe transit of the fish. I guarantee live arrival of fish shipped via same-day air freight; provided that flights are on time and shipment is picked up within 2 hours of arrival. I will also guarantee live arrival on UPS next day air delivery option ‘by 10:30 AM’. Any claims must be reported the same day of receipt. Any credit due will be awarded on your next order-no cash refunds.” - Jeff Rapps' Guarantee.
